GRADE DETAILS GUIDELINES

1. Only the School Registrar or Principal may certify the High School Grades Form.
 2. Compute for the average of all interrelated subjects taken up within the same school year.
e.g. [Earth Science (85.00) + Science and Technology (87.00)] / 2 = Science grade (86.00)
 3. Record the final average grade for each year level in English, Mathematics and Science in the appropriate boxes.
 4. State the grades in standard quantitative equivalent.
e.g. 85.00, 88.50
 5. Affix the school seal for validation. In the absence of a school seal, please attach clear photocopy of Form 137A (Transcript of Records).
- A portion of your USTET result is made up of your high school grades. Therefore, Grade Details with incomplete information will not be recorded.
